**IN THE MATTER OF:**      **Petition for allowing the Tariff approved vide Tariff Order  
Dated 31-05-2018 for FY 2018-19 to be continued for the FY  
2023-24**

**The Department of Power, Arunachal Pradesh, Vidyut  
Bhawan, Itanagar, Arunachal Pradesh**

**..... Petitioner**

**The petitioner most respectfully submits as follows:**

1. The Petitioner, the Department of Power, Government of Arunachal Pradesh (herein after called DoP, AP), is a Government Department under the Ministry of Power, Government of Arunachal Pradesh, and is the sole Electricity Distribution Utility for the entire State of Arunachal Pradesh.
2. The petitioner, being a Government Department, is a Deemed Distribution Licensee as per Section 14, provision 3 of the Electricity Act 2003.
3. As per Section 64 of the Electricity Act 2003 read with Multi-Year Tariff Regulation 2018 notified by Arunachal Pradesh State Electricity Regulatory Commission (hereinafter called "Hon'ble Commission"), the licensee has to file a petition for determination of ARR and Retail Tariff every year.
4. The Petitioner filed a petition for approval of Multi-Year Tariff and Multi-Year Revenue Requirement in the year 2022 for the year 2022-23, 2023-24, and 2024-25, but due to the absence of the Hon'ble Commission, the petition was not considered, and it got lapsed. As a result, the DoP, AP is still following the tariff order of **2018-19**.
5. Further, the Petitioner filed a petition for approval of ARR & Multi-Year Tariff for the FY 2023-24 to FY 2025-26 vide submission No. CE(COM)/Tariff/31/2022-23/722-24 dated 6<sup>th</sup> July, 2023.
6. The Hon'ble Commission vide Communication No. APSERC/RA-9/I/2023-24/154 dated 25<sup>th</sup> July 2023 directed the Petitioner to resubmit the petition for the control period FY 2024-25 to FY 2026-27. The relevant extract of the above direction of the Hon'ble Commission is reproduced below.

“1. Petition for determination of ARR and Tariff have been made for control period 2023-24 to 2025-26 i.e. more than quarter of the FY 2023-24 has already elapsed when it was submitted to the Commission.

2. The actual data/information like sales and revenue etc. are provided only upto FY 2021-22, whereas data for FY 2022-23, the actual of which should be available, is provided on estimated basis.

3. If the tariff is determined as petitioned for, it will have retrospective effect w.e.f 1<sup>st</sup> April 2023 which will neither do good to DoP, AP nor to the retail consumers. Further the Law of Court has frowned upon on many occasions on the tariff order with retrospective effect.

4. It is needless to mention that the Multi Year Tariff Regulation 2018, mandates that the Petition for determination of Multi Year Tariff for the control period next year onward should be filed on or before 30<sup>th</sup> November of the current year.

Taking into account the above points, you are requested to review the petition and incorporate the latest data/information and resubmit the petition for control period 2024-25 to 2026-27 on or before 30th November 2023.”

**The copy of the above Communication vide No. APSERC/RA-9/I/2023-24/154 dated 25<sup>th</sup> July 2023 is attached as Annexure-1.**

7. It is submitted that in accordance with the above direction of the Hon'ble Commission, the petitioner is working diligently to compile the necessary data and is committed to submit the Multi-Year Tariff Petition for the FY 2024-25 to FY 2026-27 with in 30<sup>th</sup> November, 2023.
8. Further, as submitted earlier, the petitioner had filed the petition Multi-Year Revenue Requirement in the year 2022 for the year 2022-23, 2023-24, and 2024-25, but due to the absence of the Hon'ble Commission, the petition was not considered, and it got lapsed. As a result, the DoP, AP is still following the tariff order of 2018-19. **The Copy of the Tariff Schedule approved for the FY 2018-19 is attached as Annexure-2.**
9. It is submitted that as Tariff Orders were not issued post the Tariff Order for the FY 2018-19 (issued vide Tariff Order dated 31-05-2018) due to non-availability of the Hon'ble Commission. Hence, the petitioner continued to bill the consumers during the financial years after FY 2018-19 at the category wise rates approved in the Tariff Order dated 31-05-2018 for the FY 2018-19.
10. Thereafter, the petitioner filed a petition for approval of ARR & Multi-Year Tariff for the FY 2023-24 to FY 2025-26 vide submission No. CE (COM)/Tariff/31/2022-23/722-24 dated 6<sup>th</sup> July, 2023. The Hon'ble Commission has directed the petitioner to resubmit the MYT Petition for the control period FY 2024-25 to FY 2026-27 within 30<sup>th</sup> November 2023, as more than quarter of the FY 2023-24 has already elapsed. Hence, there is no Tariff Order for the FY 2023-24.
11. It is further submitted that the pre-qualification criteria of RDSS also requires valid and

applicable Tariff Order for the FY 2023-24.

12. In view of the above, it is prayed that the Hon'ble Commission may kindly consider and, if deemed fit, allow the Petitioner to continue the tariff approved for the FY 2018-19 for the current financial year i.e. FY 2023-24 and may be pleased to issue an appropriate order in this regard.
